Dated: 07/10/15

ORDER

This order shall dispose of the appeal of Mrs. Usha Chadha against the Sai CGHS Ltd., Rohini for not providing information on her RTI application dt. 15.06.2015 under section 139 of the DCS Act 2003. The appellant in person and one Sh. Gulshan Sahni for the Society were present on 31.08.15.

The appellant in her RTI application sought certified copies for the period 2012-13, 2013-14 and 2014-15 inter alia, of all bills/cash memos of the expenditures alongwith vouchers incurred; tender notices and tender receipts; Quotations called for and received; minute book; log book etc. The appellant did not get any reply from the Society within 30 days of filing her application.

During the hearing on 31.08.15, the representative of the Society furnished a copy of reply dt. 26.08.15 to the appellant furnishing information and informing the prescribed total amount to be deposited by the appellant for the requisite certified copies of record available with them. In their reply dt. 31.08.15 with regard to her appeal the Society reiterated its stand requiring the appellant to deposit prescribed fee first for getting documents available with the Society. The appellant in her reply dt. 31.08.2015 to Society's letter dt. 26.08.15 describe the information given therein as incorrect. The Society infact has not yet furnished any information except informing the reasons for not providing of certain information asked by her besides intimating the amount to be deposited in lieu of certified copies required by her.

The appellant may collect the requisite certified copies of documents asked for and available with the Society after depositing the prescribed fee. The Society shall provide the said certified copies within 3 days of depositing the fee by the appellant as the same are already reportedly prepared by the Society.

Probably, the appellant is disputing the authenticity of balance sheet of particular year(s) for which the Right to Information is not the appropriate platform for the adjudication of such disputes.
